

Agger Surf & Events

Nature Day Krik Vig

For Schools/Children

Address: Agger Surf & Events, Vesterhavsvej 6, 7770 Vestervig Agger

Season: All year (Children and school classes - different programs)

Duration: 3 hours (all equipment included)

Meeting point: Guldkysten 16 Agger Harbor

Try fishing nets catching crabs, shrimp and small fish, pull in eel nets and lobster traps. Depending on age groups we have programs that introduce the animals to children while actively catching them with equipment already put out beforehand.

We only fish in very shallow water so it is safe for even very small children. Bring rubber boots and clothes that can be wet (we usually fish barefoot) - the bottom is sand and safe at Guldkysten 16.

Call +45 20357652 for more information and booking or visit Agger Surf & Events close to Agger beach.
